

Project Features (with screenshots)

- Authentication:
- Customer Side:
- Admin Side:
 - Dashboard - Admin is directed to this page after logging in. Contains navigation buttons for respective admin pages. The header has a sign out button on the right side.

Hello, Admin Francisco
Have a Good Day!

- Product Listing - Shows the list of products in the database. Entries can be sorted with the drop-down-button by name, type, price, or quantity. The arrow next to it toggles between ascending or descending order. Clicking on the logo at the left side of the header navigates to the dashboard.
